Peaches and Bees (With apologies to K. C. B.) The other night My wife and I Went to see The Klan Meeting Over on Western avenue. It was beautiful Because I saw it But my wife didn't. She had to stay In the car and Mind the babies. She says that I Am therefore mean to her While treating other people right And give them what they want And do not charge enough. Now dear folks I have something to say About my honesty And about my kindness. My wife is rather dark And has black eyes And I am no blonde You all know that But the funniest part of it is That we have a baby girl And she has got A pair of blue eyes. Now if you can find Any other husband That won't say anything About his nice baby girl I have a box of peaches Full of honey bees It's yours.
